PROFESSIONAL SUMMARY

Interior Design Technology graduate with a background in optoelectronics research. Bringing analytical thinking, technical expertise, and a fresh perspective to interior design.

EDUCATION

George Brown College | Toronto, Ca

Advanced Diploma in Interior Design Technology
(Graduated April 2026)

- Dean's Honour List - All Semesters
- Academic Excellence Scholarship - Every Year
- GPA: 3.7+

Busan National University | Busan, South Korea

Master of Science in Optoelectronics
(Graduated Feb.2011 | Busan, South Korea)

Busan National University

Bachelor of Science in Materials
(Graduated Feb.2009 | Busan, South Korea)

- Graduated with a GPA above 3.5

AWARDS & RECOGNITION

3form Supplier Design Competition | 2026

Runner-Up - Team Award, Office Design Project

Wilsonart Supplier Design Competition | 2025

3rd Place - Student Design Competition

PROFESSIONAL EXPERIENCE

Samsung Corning Advanced Glass | Researcher

(February 2011 - November 2021 | Gumi, South Korea)

- Conducted materials research and performance testing to improve transparent electrode efficiency.
- Prepared technical documentation and research reports with a strong focus on accuracy and clarity.
- Collaborated with research teams to develop and evaluate innovative material solutions.

DESIGN PROJECTS

MillerKnoll Workplace & Showroom | 2026

- Designed a hybrid office and showroom integrating modular furniture systems, collaborative workspaces, and client customization.

AutoCAD | Enscape | Revit | Photoshop

RECERAMIKA Pottery Studio & Gallery | 2025

- Designed a retail and pottery studio environment focused on accessibility, sustainability, and customer experience.

AutoCAD | Enscape | Revit | Photoshop

YAKAMOZ Turkish Restaurant | 2025

- Designed a contemporary Turkish restaurant inspired by the Basilica Cistern, emphasizing reflection, materiality, and immersive dining experience.

AutoCAD | Enscape | Revit | Photoshop | Dynamo

Roncesvalles Residence | 2025

- Developed a family residence with flexible living spaces, a photography studio, and a kitchen designed for online cooking classes.

AutoCAD | SkatchUp | V-Ray | Photoshop

SKILLS

Technical Skills

Design Tools
AutoCAD | Revit (BIM) | SketchUp | Rhino | Dynamo

Rendering & Visualization
V-Ray | Enscape | Photoshop

Graphic & Presentation
Illustrator | PowerPoint | Canva

Design Expertise
Space Planning | 3D Modeling | Construction Docs | Design Research

Soft Skills

- Fast Learning & Adaptability
- Project Management
- Communication (English & Korean)
- Attention to Detail
- Creative Problem - Solving
